Dedication

A man who has a profound effect upon the history of Alameda High School — its past, present, and future — is Mr. Lloyd Sisler. Since the theme of the 1965 Acorn concerns time — past, present, and future — it is fitting that the yearbook should be dedicated to our noted drama instructor.

Each year Mr. Sisler produces and directs the Senior Play, the Christmas Pageant, and the All-School Play — (The last two are innovations which he brought to AHS). The advanced drama classes annually entertain the students at assemblies. Besides being in charge of the Dramatics Department, Mr. Sisler is also a capable pianist and vocalist.

Mr. Sisler was born in Fresno, California, and he is a graduate of Fresno State College. He received his Master of Speech Arts Degree from the University of Southern California. He has taught drama at Alameda High School over a period of twenty-three years — from 1939 to 1946, and from 1949 to the present time. In the three-year interval he was a drama director of the Opera Workshop at San Francisco City College, but fortunately he returned to our faculty.

Throughout his career as a teacher, Mr. Sisler has been widely praised for his ability to transmit his talents to his students. He has a respect for Alameda High School, its students, its faculty and its traditions.

Successful actors and actresses who were at one time under Mr. Sisler's direction include: Bill Schacht, Rick Besoyan, Phyllis Winger, and Tom Rosqui.

There are numerous former pupils of Mr. Sisler's who return to Alameda High to see the man whom they have grown to respect and admire so very much.

The 1965 Acorn Staff, in behalf of the student body, is extremely proud to dedicate this yearbook to so able and respected an individual, Mr. Lloyd Sisler.

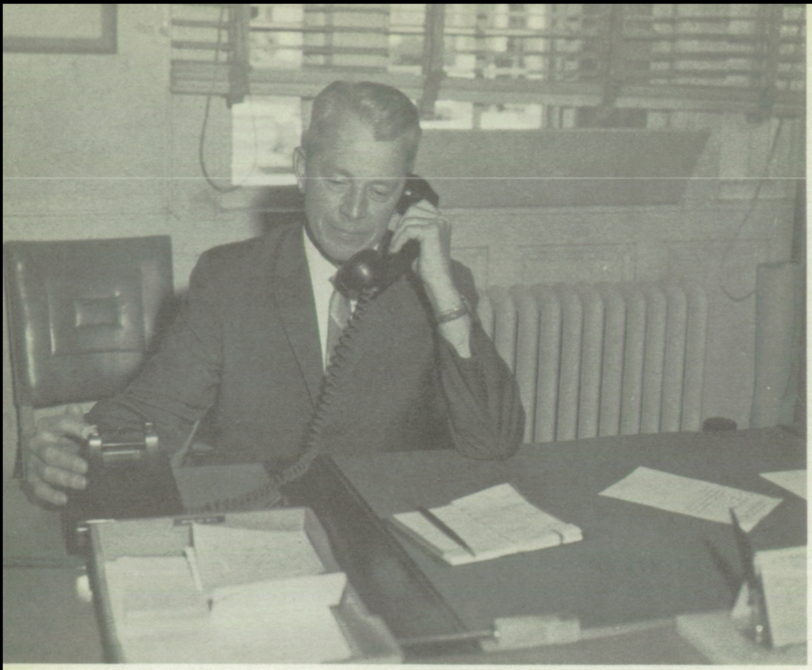
Principal of Alameda High School, 1965

Administration



Mr. Cioffi, busy at his desk.

This year has been a most memorable experience in my more than thirty years of teaching for I have come to know the strong sense of friendship that has been traditionally associated with Alameda High School. The sparkling, sharp, buoyant, and creative students of today, backed by their fine dedicated teachers, assure us that the future of our community — and nation — will be left in strong hands. I have great faith in the ability of our youth to weigh the contributions of the past in the light of the present needs and come up with sensible solutions to future problems.

May I offer my congratulations to all members of the 1965 **Acorn** staff for an outstanding publication and thank each person for his many hours of hard work. A special word of appreciation is due Paul Lacer and Deanna Demel, editor and copy editor, respectively; Jane Oliver, business manager; and Miss Judith Bristow and Miss Madge Holland, faculty advisor and business manager.

"The Captain

Without the able assistance of Mr. Cioffi, Dr. Snell, Mrs. Hoeksema, and Mr. Conner, the school would not be the same.

This past fall, Alameda High received, with open arms, its new principal, Mr. Ralph Cioffi. The office of principal has many responsibilities; among these are attending meetings concerning the school, making announcements at noon, and advising the bodies of the school on its decisions. The administration was without Mr. Cioffi for a four-month period due to his illness.

During Mr. Cioffi's absence, Dr. Snell had the added responsibility of being acting principal. He has the task of scheduling each student into his classes; he also sets up the school calendar. These tasks, along with checking the eligibility of student body candidates, are just a few of the responsibilities of Dr. Snell.

If you read the Alameda Times Star, you have no doubt seen articles written by A.H.S. students. But, did you know that any article that goes into the paper is first checked by Mrs. Hoeksema? Besides this, she is also faculty advisor to the Girls' Association, Women's Board of Control, and the Courtesy Board. Despite these responsibilities, she always has time for a friend.

This year, Mr. Conner took the newly-created office of Dean of Students. As "Dean", he not only handles the disciplinary problems, but he also advises the Men's Board of Control, the Assembly Planning Committee, and the Ad Board. He also runs the student body elections and helps the officers plan the meetings.

Mr. Cioffi and his three top aids run a tight ship and are always there to advise you.

Mr. Cioffi — in a rare moment of inactivity.

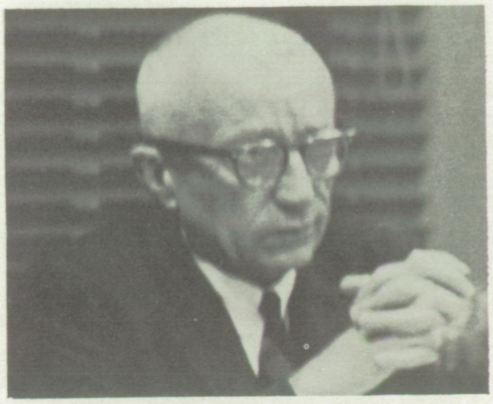
MR. CHARLES BRISCOE
Assistant Superintendent



DR. DONALD RODERICK
Superintendent of Schools

MR. HAROLD EIFERT
Assistant Superintendent

Responsibility for decisions regarding the Alameda Unified School District lies with Dr. Donald Roderick, superintendent of schools, and the Alameda Board of Education.

Dr. Roderick, who has served as superintendent since 1952, formerly taught English and social sciences at Alameda High. He has also been a part-time professor of education at San Francisco State and a lecturer at Stanford University.

As chief administrator, he presides over the Board of Education, which is responsible for adoption of curriculum improvements and changes, budget policies, and hiring practices in the school system. He also acts as principal public spokesman for the district and board.

He is assisted by Mr. Harold Eifert and Mr. Charles Briscoe, assistant superintendents.

Alameda is one of two California communities which possess an appointed Board of Education. Nominated by the mayor and appointed by the City Council for five-year terms, members may serve on the five-man board for an indefinite number of terms.

The board's monthly meetings are open to the public.

Counselors play a very important role at Alameda High School. They advise the students of three freshman, sophomore, junior, and senior advisories, besides teaching regular classes.

Mr. Bartley, the head counselor, acts as a supervisor over the other counselors, and takes charge of all special scholarships.

Counselors are highly instrumental in shaping the high-school students' future, and we are fortunate to have capable and efficient people to fill these positions.

MR. CHRIS FREEMAN

Retiring this year is Mr. Chris Freeman, who has been a teacher at Alameda High since 1928.

Mr. Freeman and his wife have lived in Alameda for 37 years and have two children, both graduates of Alameda High.

Mr. Freeman is himself a graduate of Stanford University, where he received a Bachelor of Arts degree. While at Stanford, he played on the varsity football squad and was named All-American guard. His experience was put to good use during his many years as AHS football coach prior to becoming an industrial arts teacher.

Over the years, Mr. Freeman has frequently been in charge of constructing properties for backstage. Without his assistance, many of the fine productions which we have enjoyed would not have been possible.

For his years of service and assistance, the **Acorn** staff now joins with the school in saying, "Thanks."

Good Bye and Good Luck

Also retiring this year is Dr. John Peoples, who has lived and taught in Alameda since 1933.

Prior to coming to Alameda, Dr. Peoples attended Pennsylvania State College, where he received a Bachelor of Arts degree. He then began his teaching career at Pennsylvania High School in Greensburg, Penn., where he taught courses in English, history and dramatics before coming to AHS.

Besides teaching English and history here, Dr. Peoples found time to earn his Master of Arts and Doctor of Philosophy degrees from the University of California. He also was co-author of a world history textbook, **Men and Nations,** which is being used today at AHS.

In 1962, in recognition of his achievements, the **Acorn** staff dedicated the yearbook to Dr. Peoples. This year's staff joins with our predecessors in saluting Dr. Peoples for his years of service to the school.

Fall

The members of the class of 1965 finally reached their long-awaited senior year. Activities were numerous and all those who participated pronounced them a success.

The Senior Class marched proudly into the auditorium, September 30, 1965, displaying its forest green jackets to the envy of the underclassmen.

The Senior Play, "Pioneer, Go Home", whose managers were Teppie Harlan and Calvin Mew, was presented on November 6 and 7.

The senior girls, in powder blue sweat shirts, carried on tradition by beating the Babies in the third annual Powder Puff football game on April 7, 1965.

On Senior Hat and Sock Day, May 20, a ridiculous array of headgear was displayed to the delight of all.

Managed by Margie Burns and Henry Martinez, the Senior Picnic, at Castle Rock May 28, gave us a day of play away from school.

Us . . .

The most entertaining Senior Meeting in years, under the direction of Laurie Grunewald and Nick Mashikian, was presented to the student body on June 10. It will surely be remembered for many years to come.

That most awaited night of all, our Senior Ball, managed by Linda Barry and Andy Santillina, came on June 11, 1965. The theme "Candlelight and Gold", was carried out in an enchanting way.

The following Sunday, the members of the class attended their Baccaulaureate service.

Surely none will be able to forget the enjoyable evening, June 15, as we shared our Senior Banquet at Goodman's Hall.

And then came that final moment — Graduation! Commencement Exercises were held on the evening of June 17, 1965. Later that same evening, we met at Jack London Square for the last of our senior activities, the All-Night Party.

As each goes his own way, may those four years of memories at Alameda High School never be forgotten.

Honors, Awards and Achievements

Julie Roemer was this year's winner of the D.A.R. Good Citizen Award. The Daughters of the American Revolution offer an annual award for the senior girl who has contributed the most to the community and the school. The senior girls select a fellow classwoman who merits this award.

One boy is chosen to represent A.H.S. at the Sacramento State Fair each summer; John Marberry was last year's representative. He and eight hundred other boys set up the state government. Boys' State is an organization sponsored by the American Legion.

This year Virginia Keim was Alameda High's contribution to Girls' State. She was an active participant in re-enactments of many phases of the State Government during her week's stay at the convention.

Some A.H.S. students are participating in the Advanced Study Program being offered at Oakland City College, Merritt Campus. This year, Alameda High's All school Play was "Death Takes A Holiday", a three-act mystery-melodrama. The play, under the direction of Mr. Lloyd Sisler and Student Director Laurie Grunewald, was presented to the public on March 19th and 20th at 8:15 P.M.

The story is about Death, who in the form of Prince Sirki, comes to life for three days to experience the emotions in the life of a mortal. While a guest of Duke Lambert, Sirki meets and falls in love with a beautiful girl named Grazia. The play ends as Sirki, who has resumed his real identity, and Grazia, have found a love which casts out fear and is as strong as death.

From Sea to

Shining Sea

"From Sea to Shining Sea," Alameda High's annual Christmas Pageant, was presented for the public on Thursday, Dec. 17th. The pageant was written and directed by Mr. Lloyd Sisler, who was assisted by Student Director Claire Hughett. The Pageant's main theme, Christmas in California, was carried out by showing how Californians have celebrated Christmas through the years. The scenes included the early Spaniards, the rough and ready 49'ers, a typical street scene in San Francisco, and a traditional New Year's Eve party. The final scene of the pageant was a Nativity scene, portraying the birth of Christ.

What Are Organizations at A.H.S.?

All of our organizations play an important part in high school life. Aside from providing enjoyment and opportunities for student responsibility, they contribute to the efficiency and good name of Alameda High School.

MASQUE AND SANDAL is open to all students at the school who are interested in Drama, and is under the direction of Mr. David George and Mr. Lloyd Sisler. THE MODERN DANCE CLUB is for all girls taking advanced dance. With Mrs. Marian Schwartz guiding, this group presents a program at a student body meeting once each year.

THE SPANISH CLUB, with Mr. Carlos Gamboa, THE LATIN CLUB, with Mrs. Lenore Marker, THE FRENCH CLUB, with Mr. Demophile Rateaver, and THE CHEMISTRY CLUB, with Mrs. Edna Cundiff, are for all students taking those particular subjects. These groups plan various activities and trips throughout the year, such as picnics and cake sales.

THE HUMANITIES FORUM, with Miss Fran Claggett and Miss Madge Holland, reads and discusses several books during the year. Their purpose is to understand human nature through the thoughts of great writers. INTERACT is sponsored by the Rotary Club and guided by Mr. Leland Stanford for the purpose of furthering international understanding. Members are recommended and voted in by the Rotary Board of Directors.

PARAMEDICAL CAREERS CLUB is organized by the school nurse, Mrs. Kay Hunter, for all those who are interested in careers related to medicine. Mrs. Virginia Anderson leads the JUNIOR RED CROSS in serving the community. They are now sending pictures of school life to foreign countries. Any student willing to work can be a member.

CONCERT CHORALE and GIRLS' GLEE, under the direction of Mrs. Carol Cederleaf, add sparkle to our annual Christmas Pageant and perform for many community groups.

Students interested in the profession of teaching are led by Mr. Earl Nethercutt, sponsors of the 3R's. THE CHESS CLUB has tournaments with other schools in the county. Mr. Ted Anderson instructs and sponsors this group of boys, who spend their lunch hours practicing.

THE R.O.T.C. Department is headed by Major Donald Carmichael. THE SWORD & SHIELD SOCIETY is made up of high-ranking cadets for the purpose of improving relations with other clubs and raising the standards of R.O.T.C. NON-COMMISSIONED OFFICERS are usually junior and sophomore boys who show promise of leadership qualities. They are possible candidates for SWORD & SHIELD, and they are given some of the more responsible jobs in the department.

THE USHERS are boys from the R.O.T.C. THE USHERETTES, sponsored by Mrs. Pauline Ames and Mrs. Donna Shillinger, is open to any interested girl. These two groups contribute to the smooth running of the Senior Play, the Christmas Pageant, the All-School Play, and Graduation

SKI CLUB and PEP CLUB are both new organizations at Alameda High this year. THE SKI CLUB plans trips to the snow. THE PEP CLUB will attend the games in their white shirts and blouses.

To open the 1964 football season, the Hornets edged the Ells' Eagles 9-6. The Hornets scored in the first quarter on a 27-yard pass from quarterback Bill Schmitz to halfback Gerry Crawford. Ells came back and scored in the second half on a 53-yard breakaway run, which brought the score to 7-6 going into the 4th quarter of play. Tom Deal then smothered a blocked punt in the end-zone for a 2-point safety. The Hornet defense then held the Eagles and Alameda had their first victory of the season.

The Hornets rolled over Pacifica 21-7 with the Vikings crumbling under the Alameda offense. Doug Royer and Bill Schmitz accounted for all of the Hornet scoring on a 5-yard dive by Royer, a one yard quarterback sneak by Schimtz and a 29-yard pass touchdown from Schmitz to Royer, with Royer kicking all of the extra points. The mighty Hornet defense held the Vikings to a mere 110-yards passing and rushing in the whole game.

The Hornets faced the San Leandro Pirates in the game that decided the A.C.A.L. championship. When the teams went into the dressing room at half time the score was 7-7. The Hornets scored on a 2-yard plunge by fullback Kamakau Napoleon after San Leandro went ahead on an 80-yard run. The Pirates scored the winning TD in the 3rd period on a 3-yard dive by their fullback.

Alameda bounced back and defeated the Richmond Oilers 19-0 in a well-executed attack. Leading the attack was Doug Royer, who gained 74-yards in 16 carries — including a 12-yard TD romp and kicked one extra point. Gerry Crawford also stood out — scoring two TD's one on a 26-yard pass from Bill Schmitz. The Hornet defense kept the Oilers to 64 yards rushing and 51 yards passing.

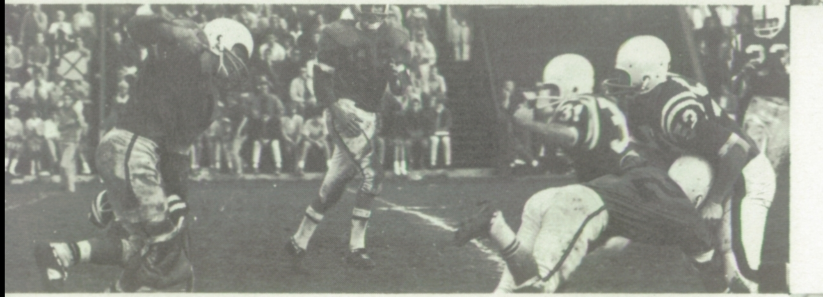
Alameda then faced Berkeley in a game that saw the defense of both squads rule until the last 14 seconds, when the Hornets had the ball on the Berkeley four-yard line and Doug Royer kicked a field goal to win the game 3-0. Against this tough defensive team, Bill Schmitz completed 9 of 17 passes for 112 yards.

The Hornets methodically routed De Anza 21 to 7. Highlights of the game were the passing of Schmitz, who figured in two TDs: one, a one yard dive, and the other a 24-yard pass to Doug Ladd. Kamakau Napoleon gained 148 yards rushing and scored one TD. The Dons scored once on a four-yard run.



The Hornets played their non-league game with St. Elizabeth's here. The Hornets dominated the whole game from the first Hornet offensive play, when Schmitz passed to Royer for a 68-yard TD. Schmitz threw the same pass for 65 yards and a TD on the next offensive series. Napoleon scored two TDs and gained 120 yards while Royer ran over the third TD, and picked up 58 yards. Royer kicked two extra points to cap this 32-0 win. Schmitz completed six out of 11 passes for 192 yards.

Alameda finished off the season at El Cerrito in a hard-tought game, winning 18-0. After a shaky first half, in which Royer scored the only TD on a five-yard run, the Hornets pulled together and scored the crowning touchdowns. Napoleon scored on the first play of the 4th period on a two-yard run, and Royer scored on a two-yard run.

A crowd of over 3500 jammed into Thompson Field to see the Hornets bomb the Jets in the annual crosstown rival game. The game was preceded by the annual exchange rallies at the student body meetings in which there was great spirit for both schools. The game had added excitement with the presence of T.V. cameras from KGO TV for the televising of the high school 'Game of the Week.'

The game started with Alameda kicking off to the Jets. The Jets were forced to punt, but roughing the kicker penalty gave the Jets renewed hope. On a quarterback to halfback pass and a halfback to halfback lateral, the Jets scampered 59 yards for a score. The kick was

good and the score was 7-0 with 8:58 left in the first period. This was the final act for Encinal. The Hornets bounced right back and scored on a 23-yard pass from Bill Schmitz to Gerry Crawford. Doug Royer's kick was good and the game was tied 7-7. In the second quarter Kamakau Napoleon scored on a 2-yard run and Royer scampered 2 yards for a touchdown.

After a colorful halftime show, the teams came back on the field. The Hornets scored 3 more times to completely humiliate the hapless Jets. Doug Royer scampered 4 yards for a score, Kurt Speier scored from 6 yards out, and Schmitz added the capper with a 2-yard QB sneak.

G.A.A. Members Excel In Various Sports

Fencing is one of the more popular sports.

THE FALL 1964 G.A.A. OFFICERS: SEATED, left to right—Delores Allen (yell leader), Mary Brockwell (vice president); STANDING—Eva Wong (publicity manager), and Jenita Rodriquez (president). Missing are Carol Biano (recording secretary), and Anita Birchenall (financial secretary).

Sophomore, Junior, and Senior girls are eligible for membership in the Girls' Athletic Association (G.A.A.) which meets sixth period each school day. The girls are selected by the Girls' physical education faculty on the basis of skill and citizenship.

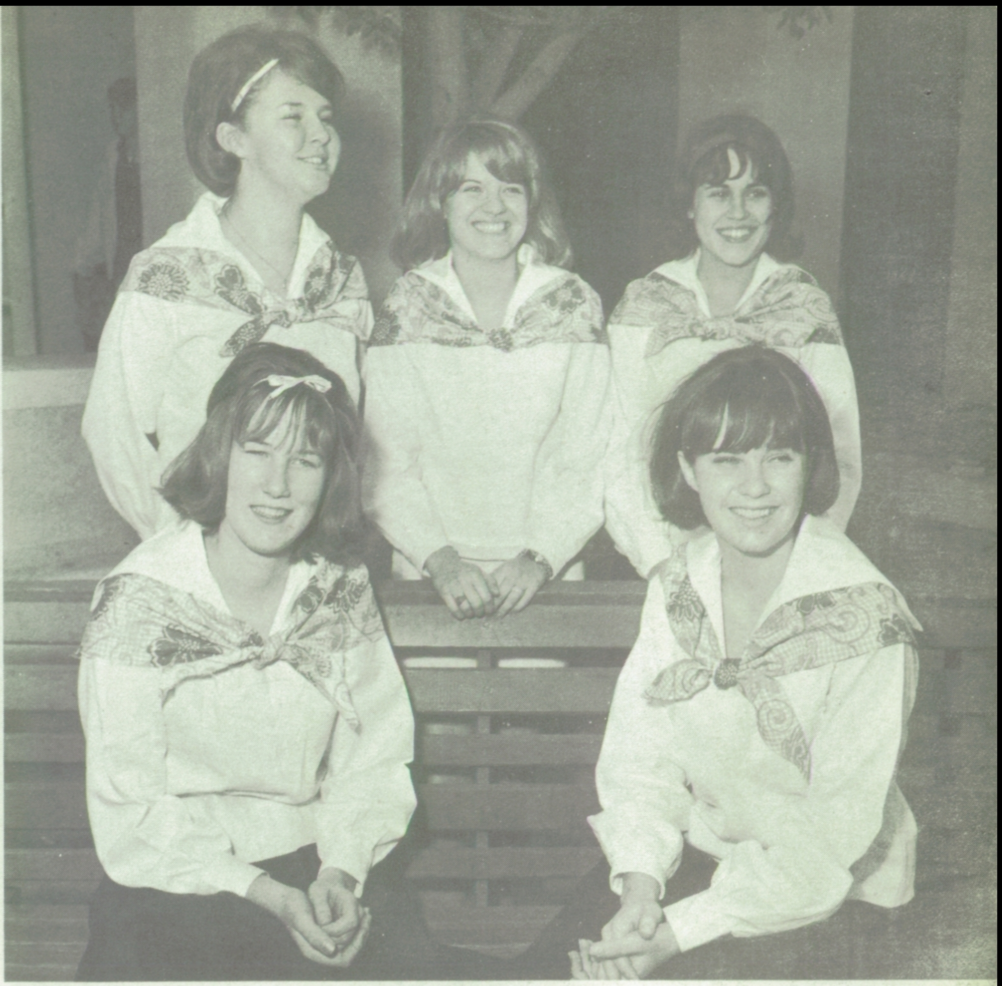
Girls in G.A.A. enjoy sports and want to become skilled in as many sports as possible. The girls are able to choose their own sport for each season from several which are offered. During the year, in addition to the sports offered in regular physical education, G.A.A. offers fencing, hockey, badminton, bowling, tumbling, archery, and modern dance.

Activities of G.A.A. include sports-days and play-days with other schools and various money-raising events such as the semi-annual pencil sale. At the end of each semester, the "G.A.A. Spread" is held.

Various awards are given throughout the year for excellence in certain sports and points are given accordingly.

At the "Spread", the newly elected officers are announced and the girls who have earned enough points receive the Circle "A", Winged "A", and Block "A", respectively. When a girl receives the Block "A", she becomes a member of the Women's Block "A".

Exercising is part
of each days program.



THE 1965 SPRING G.A.A. OFFICERS: SEATED, left to right—JoAnn Duthler (yell leader), Carolyn Marberry (vice president); STANDING—Jolene Berg (recording secretary), Mary Brockwell (president), and Stephanie Corcos (publicity manager). Missing is Fran Kohoutek (financial secretary).

Vicki Simi smiles and poses
while Sue Negley grabs for the ball.

A Parting Word

During the past year, all of us have had many experiences, happy and sad, which we will remember throughout our lives. This year, and the rest of our high school years, will live with us forever. The Acorn is a journal to preserve those experiences that we have had which are now only memories and which will be treasured remembrances of our past. Although one day is but a drop of water in the sea of life and one person is but a grain of sand on the great beach of humanity, each of us will think of the Acorn as a chronicle and a reminder of the days that were. Someday in the far distant future you may look upon this annual and make a wish — "Backward oh backward, go time in thy flight, Make me a teenager again just for tonight".

"Time present and time past
Are both perhaps present in time future,
And time future contained in time past.
If all time is eternally present
All time is unredeemable".—T. S. Eliot

You're an exceptionally good guy, Jim, and we've had a ball together. I hope we have lots more fun next year and in the years to come.
